Course Description:

This course will prepare students for careers in the field of Veterinary Medicine. This course will allow students an opportunity to learn, reinforce, apply, and transfer knowledge, skills, and technologies in a variety of settings. Topics covered in this course include, but are not limited to veterinary practices as they relate to both large and small animal species.

Supplies:

Pen, pencil, spiral notebook, notecards, paper, and one poster board

Make-up Work:

The student will receive the number of days missed plus one day to turn in make-up work. All assignments are posted on google classroom everyday. It is the responsibility of the student to obtain all make-up work from google classroom.

Late Work:

Ten points will be deducted each day work is late. After one week, the highest grade a student can make on an assignment is a 50. In class participation grades cannot be made up. Once a progress report is issued, students will not be allowed to turn in work reflected on the progress report.

Grading Policy:

- Class work/ Homework 40%
- Tests Grades 40%
- Quizzes/Projects 20%
