- 40% Test Grades
- 20% Quiz Grades

Supply List

- 2 Composition Notebooks
- Pencils
- Paper
- 1 Folder with Brads

Classroom Rules

- Be on time and seated with math journal and pencil
- No cell phones
- Be ready to work when bell rings.

Classroom Expectations

- Be ready to work from bell to bell
- Saying “I don’t get it” is never acceptable. You understand something and we can start from there.
- Understand why every answer is wrong or right. Knowing just the correct answer doesn’t justify that you understand 7th grade math curriculum concepts.
- Be ready to answer any question that is asked about the problems that we cover.
- Never accept being mediocre when you have the ability to be better.
- Don’t be afraid to make mistakes. Mistakes is how we learn
