

Bishop CISD Re-entry Guidelines 2020-2021

The re-entry guidelines for the 2020-2021 academic school year have been established with the safety and well being of all students and staff as the guiding principles. Texas Education Agency (TEA) and Centers for Disease Control (CDC) recommendations have been considered when establishing the standards for reopening/re-entry. Change continues to be the “new normal” and this document is no different. Please know that additions to the guidelines will be established as necessary. Deletions will also be considered when warranted.

Reopening/Re-entry guidelines for all staff:

- Upon returning to work, staff will be required to watch two short videos on COVID-19 information and mitigation strategies.
- Staff is expected to self-screen for temperature and COVID-19 symptoms prior to reporting for work each day. Direct supervisor or designee should be contacted immediately should it be necessary for you to self-isolate/quarantine.
- Staff will hand sanitize upon entering the building and increase hand washing routines throughout the day.
- Building entrances/exits are predetermined for each staff member.
- Social distancing measures (minimum of six feet on all sides) will be strictly enforced.
- Physical interaction including but not limited to hugging and handshaking is prohibited.
- Lunch times and locations are predetermined by campus administration.
- Groups larger than five must be pre-approved by campus administration.
- Staff will not receive deliveries during the school day including but not limited to food.
- All visitors to the campus must be preapproved by campus administration.
- All staff members will wear masks in all common areas. Masks may be removed in your classroom/office if you are alone but must be fastened before allowing others to enter your classroom/office.
- If you are bringing your school-age child(ren) to your classroom/office, they must remain in your space at all times. If your child is in your classroom/office, you will not be allowed any visitors. They will not be allowed in the same space with other children or adults who do not live in the same home. Campus administration will designate one bathroom for your child. You must escort them to and from the bathroom.
- Staff members who must leave the building for any reason during the work hours must have it pre-approved by your immediate supervisor.
- Staff will have access to disinfectant solution to be used in flat areas and workspaces.
- Shared equipment such as but not limited to printers and telephones must be sanitized before and after each use.
